### PROFESSIONAL EXPERIENCE:

#### Chaddock

Quincy, Illinois

#### *Director Program Strategy | 4/09 - Present*

Responsible for strategic direction of agency programs. Offers specific recommendations for achieving agency's strategic framework including recommendations for additions to current programs based on current best practices and relevant research. Implements strategies to capitalize on program strengths and opportunities and reduce the influence of program weaknesses and threats. Reviews agency training and therapeutic approaches to insure adherence to Chaddock philosophy of treatment

#### *Director of Treatment Services | 12/02 – 3/09*

Provided administrative supervision of clinical, medical, admissions and residential services. Conducted training and consultation to external agencies regarding the implementation and development of services for developmental trauma and attachment-based clinical issues. Supervisor representative for Chaddock's participation National Child Traumatic Stress Network Structured Psychotherapy for Adolescents Responding to Chronic Stress (SPARCS) Learning Collaborative

#### *Clinical Supervisor | 7/01- 9/02*

Provided clinical supervision to therapists. Oversaw and managed all Child and Family Therapy and Attachment Therapy programs. Coordinated Core Treatment Team efforts composed of foster parents, foster children and case managers. Completed Medicaid paperwork including Mental Health Assessments, Diagnostic Formulation and Individual Treatment Plans. Assisted in marketing all outpatient therapy services. Provided individual, marital, family and child therapy.

#### *Therapist | 11/94- 7/01*

Provided individual and family therapy to twenty-five plus cases per week. Developed private pay treatment services and served as primary therapist in private pay sector. Specialized in treatment of children, adolescents, and eating disorders. Conducted Bonding/Attachment Assessments using Marschak Interaction Method. Practiced a variety of treatment modalities including Family Therapy, Cognitive Behavioral Therapy, Play Therapy, and Theraplay.

#### Family Service

Lancaster, Pennsylvania

#### *Family Therapist | 7/93-9/94*

Provided individual, marital, parent-child, and family counseling services to twenty plus cases per week. Provided case related collateral services. Specialized in treatment of adolescents, eating disordered women, child abuse victims, and drug and alcohol issues. Practiced a range of treatment methods including individual, family, group, and Play Therapy.

#### *Program Coordinator of the Supervised Visitation Program | 9/92-7/93*

Developed, monitored, and evaluated program budget, policies, procedures, and content. Conducted assessments for all program clients. Recruited, trained, and supervised program staff and volunteers. Represented the program to the community through collateral, educational, and community organization efforts.

#### *Parent Counselor for the Young Parenthood Program | 10/88-9/92*

Conducted intake assessments and drug and alcohol screenings with pregnant and parenting teens. Taught eight-week series of prenatal classes to pregnant teens. Facilitated and coordinated ten support groups for teen parents. Coordinated services and collateral contacts.

#### Lancaster Shelter for Abused Women

Lancaster, Pennsylvania

#### *Volunteer | 3/90-9/94*

Completed a thirty-six hour Domestic Violence Training Program. Served as Public Education Volunteer.

**LICENSURE/CERTIFICATION:**

- Licensed Independent Social Worker – Advanced Practice SC #11422
- Licensed Clinical Social Worker - NC #C011189
- Licensed Clinical Social Worker - IL #149.006832
- Licensed Clinical Social Worker - PA # CW013477
- Licensed Clinical Social Worker - KY # 252253
- Licensed Clinical Social Worker - TX # 6375
- Certified Theraplay® Therapist, Trainer and Supervisor
- Certified Video Intervention Therapy Trainer and Supervisor

**EDUCATION:**

*Menninger Clinic | 9/99 - 5/01*

2 Year Marriage and Family Therapy Training Program

180+ hours comprised of didactic sessions designed to identify and develop one's own clinical thinking and skills in working from a family systems perspective, offering a combination of theory and practice. A central focus was learning about self in family-of-origin and use of self in clinical work. Group supervision and individual supervision focused on clinical case material as well as on the awareness of one's own emotional functioning which has developed in the context of one's family-of-origin

*Temple University, Philadelphia, Pennsylvania | 1/89-5/93*

Master of Social Work

*Pennsylvania State University, University Park, Pennsylvania | 9/83-5/88*
